Mk. 14:17-25

1. As can tell by our order of service, change - brand + mine the central focus of what we do.
2. Let me comment on this text.
3. All have Script + diff to understand. This for me.
   a. Re-create scene.
   b. Announce. Laughter + pleasantness touched as the room dark stranger came amongst + banged creepy on door.
   c. Is it I?
4. That they would open own selves in moment of truth.
5. Not that this is undesirable. It is!
   a. Be honest. This ABC to all - meaningful what to each other, God.
   b. So might get so personally deep. Tell as is - Not false as stars of sand.
   c. And accept truth about selves.
      I was wrong; failed; sick; crippled; child retarded;
      Not unforgiven but truth.
      (Sanding floors at Johnson)
6. But strange that they ask Is it I?
   a. Forfeit our silent game; where most skilled - illusion of own innocence.
   b. Many ways -
      Adam (Tree Fruit); grade on curve;
      Cain (Am I); Bring gift (Bull + Helen)
   c. Emotion for honesty rigged. Touched up photo, mirror.
7. Question not of us each - who is it? Jesus to die, who responsible? Get to bottom of it.
   Lumberman, carpenter, soldiers, captain, Pilate, Jesus, Judas; all suppose together?
8. So new game - all guilty. Nice ring to it. All guilty. Enroll Thyself.
9. Even time of games. Out at night on porch, edge of eternity - Mist. Fog. Is it I?
10. Spell broken by Jesus. Stand, bread, cup - Zeroes on each - Room for you at this table.
