Perryton

Intro. 1. Easy to idealize scene. old man - baby
2. Probably nuisance. Disturbing with toothless ... Clean
a. Detaining with toothless ... Clean
b. Teary eyes, fuzzy in beard.
c. Do it a boy?
3. Nunc Dimittis and to mother
a. Rise & fall of many.
b. why not - coach, coach, coach

I Set for fall & rise of many.
1. Unusual, Repeated.
a. Efforts at 2 gods in God & Satan
b. Fall & rise of person. "Bottom out", etc
2. But Bible records this.
a. Light - darkness, stage Feast, word that deafens, act that darkens.
b. It had not come.
Not to judge but a judgment.

II Clear statement of critical nature of Chr. faith
1. whether say it or live it, rise & fall
2. Makes a difference

III But Don't like it. Want all yes, Rise. So tempted
1. To ~~ignore~~ reality of it. Dark light, bitter sweet, child's world all light. Conceal under apparent peace
2. To be silent.
3. To be unclear, vague, mean, let some reject it (and why not reject what changes us?)
4. To blame myself, Jesus & such rules. Minister and vote 176-3. who the 3? why?
5. To be indecisive. Judas yes & no. Ch as person not to center on decision, value.
Not help Toward one, vs another, Vote 9, 13, 18.
abstain. what do with hideous machine.

IV But Chr. faith makes a difference.
1. In Ch. vocab. no word No.
2. Fall & rise.

Concl - 1. Many a child grew up. Bangs had on ceiling; shocks showings for grow. - - -
2. Turn to us - Be prepared to make a difference and some of it won't like.

Rise and fall.
audacity of Bible. Create light + darkness,
stumbling, feast or
foundering. Message creates
deafness.
